- VIII. Program
- IX. Adjourn

## **North Louisiana Chapter - American Guild of Organists**

### **Meeting Minutes**

**March 19, 2011**

The meeting was called to order by Fred McClanahan and there was a brief discussion concerning the web site and the current directory format. Members present were informed that the logo at the top of the web site home page offers a link to an archive of meeting agendas and minutes. We discussed adding a link to the directory here but will hold off out of some security concerns.

Treasurer Ginny Daniel advised that there were few changes since the last meeting and a full report will be upcoming. It will be added as an addendum to these minutes.

We discussed the upcoming McCoy Ransom Tribute Concert which is now scheduled for a yet-to-be-determined date in May. Those interested in playing should contact Deborah Guillory, Trinity Methodist, Ruston.

The upcoming changes in the AGO registration and renewal procedure was discussed and the fact that it will be delayed was noted. Currently, Fred McClanahan and Ginny Daniel are planning to attend the kickoff workshop when it is scheduled.

We are hoping to have an April meeting centered around bringing youth to the organ. It could be called "ensuring the future of the organ" (just kidding). More to follow on this subject.

Several members indicated that they would be attending the Region VII convention in OKC. For more information, there website is [windandfireokc.com](http://windandfireokc.com).

Following the business meeting, a program entitled "Something Old and Something New" was played for us by Jordan DeRouen, Bryan Bierbaum, Ray Peebles, and Dr. Julia Lee. A listing of what they played will be added as an addendum to these minutes.

Members present for this meeting were David Sherman, Ray Peebles, Dr. Julia Lee, Ginny Daniel, Jordan DeRouen, Bryan Bierbaum, Ron Dean, and Fred McClanahan.
